письма на имя Президента Российской Федерации  
Б.Н.Ельцина от Р.Росса (США, Нью-Йорк)

Ректор Университета Росса просит Б.Н.Ельцина принять памятную награду названного университета. Для этого необходимо присутствие Президента Российской Федерации или его представителя на выпускной церемонии второго июня 1992 г. Ранее награды Университета Росса были вручены многим лауреатам Нобелевской Премии. Автор письма надеется на ответ Президента Российской Федерации.

President Boris Yeltsin  
Moscow, USSR

Dear President Yeltsin:

Enclosed you will find a photocopy of our letter dated January 6, 1992 from which we received no response.

Our next graduating class will be June 2, 1992, at the United Nations, and I am again enclosing a partial listing of past recipients that have accepted the Minnie Rosen Award, the Faye Robiner Award and the Joseph Rosen Award. We sincerely hope that you will be willing to accept the award.

In the event you are unable to attend our June graduation ceremony because of your busy schedule, we will send you the award in absentia, or you could delegate someone from the United Nations to accept the award on your behalf.

We look forward to receiving your early reply.

Sincerely yours

  
Dr. Robert Ross  
Chairman

6th January 1992

President Boris Yeltsin  
Moscow, USSR

Dear President Yeltsin:

Each year at the commencement exercises of Ross University School of Medicine and School of Veterinary Medicine we confer the Minnie Rosen Award, the Faye Robiner Award and the Joseph Rosen Award on individuals who have made significant contributions in the sciences or humanities, those whose management of multinational organizations has had an impact on the economies of many nations, and those who provide unique inspiration to others.

Past recipients of these awards include the distinguished individuals whose names appear on the enclosed list.

We would be very pleased to present you with the Minnie Rosen, Faye Robiner or Joseph Rosen Award at our next graduation ceremony which will take place on January 31, 1992 at the United Nations in New York City. We realize that it is very difficult for you to accept the award in person, and therefore would be pleased to present it to you through your local consulate or embassy.

We look forward to your favorable response, and we thank you for your cooperation.

Sincerely yours,

Dr. Robert Ross  
Chairman of the Board
