ENDANGERED SPECIES ACT

Section 7 of the Endangered Species Act of 1973 (16 U.S.C. 1536) requires that the Secretary of the Interior, in consultation with the Secretary of the Army, shall determine whether the proposed action is likely to jeopardize the continued existence of any listed species or result in the destruction or adverse modification of critical habitat.

The proposed action is the construction of a new road through the project area. The project area is located in the State of California, and the proposed road is to be constructed through the project area. The proposed road is to be constructed through the project area, and the proposed road is to be constructed through the project area.
