INTERNATIONAL SOCIETY FOR THE HISTORY OF MATHEMATICS

© 1998 by I.S.H.M.

1. The International Society for the History of Mathematics is a non-profit organization dedicated to the study and promotion of the history of mathematics. It was founded in 1974 and is now the largest international organization of its kind. The Society's primary concern is to advance the study of the history of mathematics and to promote the understanding of its role in the development of science and society. The Society's activities include the publication of the journal *Journal of the History of Mathematics*, the organization of international conferences, and the sponsorship of research projects. The Society's membership is open to all who are interested in the history of mathematics, and it is currently composed of over 1000 members from more than 50 countries.
