*As a country experiencing an head spinning pace of urbanization and exerting every effort within its means to overcome the problems faced in the fields of “adequate shelter for all” and “sustainable human settlements”, Turkey will not only undertake to translate the conclusions of the Habitat-II Conference into effective national policies and practices, but will also actively contribute to international cooperation, collaboration and solidarity on a global scale.*

**Süleyman DEMİREL**  
President

HABITAT-II Conference - June 1996

98

*With Best Wishes For The New Year*

*S. Demirel*
